MATERIALS & FINISHES

Your wood, your finish

Every piece in this catalog is made to order. The finish in each photo is only one option: choose the wood, the board and the finish that fit your home and budget.

SOLID WOOD

Sheesham / Tali — شیشم / ٹاہلی

Hard, heavy and long-lasting, with a rich grain. Our premium solid wood for frames, legs and beds.

Kikar (Acacia) — کیکر

Strong and durable hardwood at a lower cost than Sheesham. Good for frames and legs.

Your own wood — آپ کی پسند کی لکڑی

Want a different solid wood? Tell us and we will advise on price and availability.

BOARDS

Plywood — پلائی ووڈ

Stable and strong sheet. Faced with wood veneer for a polished look, or prepared for Duco.

MDF — ایم ڈی ایف

Very smooth surface. The best base for Duco paint in any colour.

Lasani Board — لاسانی بورڈ

Economical laminated board. Ideal for inner shelves, backs and drawer boxes.

FINISHES

Polish — پالش

Stain and lacquer that shows the wood grain. Matte or gloss.

Natural · Honey · Teak · Walnut · Espresso

Duco Paint — ڈیکوپینٹ

Smooth solid colour, any shade you want. Matte, satin or gloss.

White · Ivory · Sage · Olive · Black · Any

Natural Cane — کین

Hand-woven rattan cane in every door and panel. Open or close weave on request.

Mixed builds — Most pieces combine materials: for example a solid Sheesham frame and legs, a plywood body, Lasani inner shelves and natural cane doors. Tell us your budget and we will suggest the right mix for each piece.
